

Waste Collection

July 2022 – June 2023

Use the map to work out whether you are in **AREA A** or **AREA B** and what day your bins will be collected.

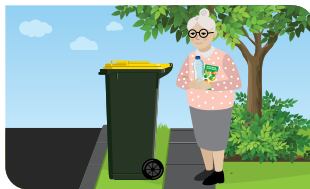

! This waste calendar applies to residential properties with individual bins.

Bin collection tips

Make sure your bins can be collected every time by following these tips.

Only use bins assigned to your property. Let us know if neighbours use your bins without permission.

Keep bin lids closed. Pick up any litter that falls on the ground around your bins.

Leave 50cm between bins and 1m between the bin and any trees, poles or parked cars.

Return bins to your property within 24 hours of them being emptied.

Heavy bins cannot be lifted by the truck. If you are struggling to move the bin, it may be too heavy.

Issues with your bins?

If you need more bin space, your bin is damaged or we missed collecting your bin:

Batteries and items with a battery, plug or power cord CANNOT be placed in your bins. These can be taken to the Monash Recycling and Waste Centre.

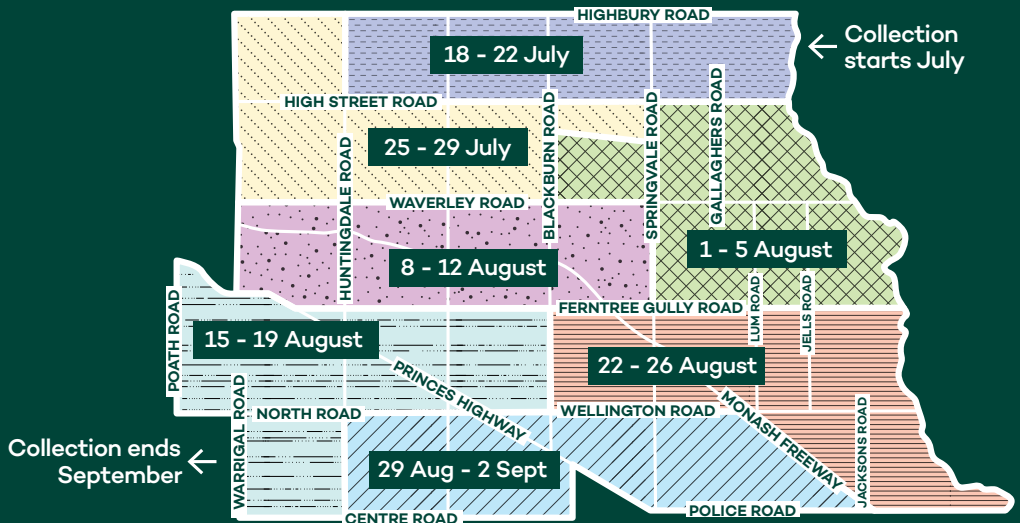

Annual Hard Waste Collection

July – September 2022

FREE annual hard waste collection

Your free annual hard waste collection will take place between July and September*. We'll let you know 2 weeks prior, what can and can't be placed on the nature strip and how to present your items for collection.

**Dates subject to change in the event of unforeseen circumstances.*

At-call hard waste collection

You can book an additional hard waste collection for a week that suits you. This collection is an extra service to your free hard waste collection and costs apply. There is a limit of 2m³ and payment is required at time of booking.
